

First-Year
INTERNATIONAL
EXPERIENCE

WE ARE COMMITTED

to helping international students succeed – both academically and culturally – at Concordia, which is why we’ve designed a first-year experience for you.

IT STARTS WITH PRELUDE

Our three-week residential Prelude program will prepare you to succeed and immerse you in the culture of America.

- Meet other international students who are starting their college careers at Concordia.
- Earn four credits toward graduation and ease your fall semester course load.
- Develop effective college study habits and confidence to begin your college studies in the U.S.
- Practice academic discourse in a U.S. classroom and become familiar with U.S.-style college writing assignments.
- Get to know the conventions and expectations of an inquiry-based curriculum that gives students the freedom and responsibility to make discoveries and shape the course of their own learning.

THE CONCORDIA EXPERIENCE

Our integrated curriculum is focused on helping you get the most out of your education, bringing American higher education and culture exploration together.

- Tie academic work to career preparation through both on- and off-campus resources, research and community field trips.
- Become immersed in the wider Concordia community. Meet with local families, attend athletic events and explore some favorite American activities.
- Improve study habits, writing and reading abilities, and group discussion skills through coursework.
